SC DIABETES PREVENTION & CONTROL PROGRAM (DPCP) 4TH ANNUAL MID -YEAR COALITION TRAINING

Wednesday, April 4, 2007
9:00 am – 3:30 pm

Suggs & Kelly Law Center
500 Taylor Street
Columbia, SC

What is a Diabetes Coalition? A diabetes coalition is a union of people working to influence the outcomes of diabetes & pre-diabetes in their community. A diabetes coalition should consist of a diverse membership to include community members, health care providers & people with diabetes. Diabetes coalitions are structured & maintained by its members & are not operated by one person or agency.

What is a Coalition Lead Agency? A lead agency is one that coordinates the oversight of the day-to-day operation of the local diabetes coalition. The lead agency may chair the working group established to coordinate policies related to a particular operation. The lead agency determines the agenda, ensures cohesion among the agencies, & is responsible for implementing decisions.

Funding is available to support programs & activities that demonstrate success in establishing infrastructure by planning, implementation & evaluation of activities to reduce the burden of diabetes in local communities. Up to six Capacity Building mini-grants (not to exceed \$3,000 each) will be granted to local chapter coalitions targeting high-risk communities for diabetes.

Who should attend? If you plan to apply for funding for fiscal year 2007-2008, it is mandatory that you attend this training. We will provide information that will be beneficial to your application.

We are requesting that you send no more than three people from your coalition to attend. It is imperative that one of the attendees is the person that will be responsible for submitting your quarterly reports & invoices.

Qualified applicants / attendees are established local diabetes coalitions or groups that have the potential to become a local diabetes coalition. Applications funded will be based on completeness & anticipated effectiveness of the proposed project. All applications must be accompanied with two (2) letters of support. These letters must come from diabetes stakeholders that are affiliated with the coalition. All applications must be typed. Applications that are not typed, and/or are not complete will not be reviewed & will be returned.

For more information, please call Ms. Michelle Moody, Statewide Coalition Coordinator, at (803) 545-4473.
